The police, after a lengthy examination at the time of the murder, reported that they believed Dr. Knabe died by here own hand, and fropped the case. Coroner Durham, however, who examined many witnesses at his inquest, returned a verdict that they had ascentary reasurer of the International Association of Bridge and Structural Iron Workers, of which thirty-treasurer of the the prisoners are officers and E. All Cheerfulness Departs as Time Every Exit of Fifth Avenue Mansion and Tarrytown Home Guarded by Detectives-He Is Wanted to Testify Before Money Trust Investigating Committee.

Rockefeller if it takes all

rais was the denant challenge issued to-night by Jerry South, chief
clerk of the House of Representatives,
in command of the government force
of process servers and hired detectives that is trying to serve William
Rockefeller with a subpoena to appear on January 8 before the Pujo
money trust committee.

Believing the oil millionaire, wanted to testify concerning market operations in amalga copper, and has been evading a for a week past, is hidden in h

tinels.

Sergeant-at-Arms Riddell declared that only lack of authority prevented him from entering the house by force. He explained that he was powerless under the law to serve the subpoena as long as Mr. Rockefeller chose to "keep himself locked up."

Bellef that Mr. Rockefeller was in his New York house was strengthened to-day when process servers reported to Riddell that they had seen Dr. Wal-

Trenton. N. J., December 31.—President-Elec. Wilson finished his political activities for the year 1912 by completing to-day the series of conferences he planned soon after election with leaders of the Democratic party. The President-elect had a long talk marion County grand jury in connection and Oscar W. Underwood, Democratic leader of the House of Representatives of the House of Representatives of the House of Representatives on that road in a suburb on November discussing principally plans for tariff revision, but hothing definite came from either man after the conference switch and collided with a freight
